Worldliness: Losing Distinctiveness Building a Great Life

1 Corinthians 3:10-23

If how I live really matters, then how do I know what my life should look like? What does a great and regret-free life look like? Here is a checklist for evaluating whether or not we are living a great life:

- A Great Life is New Birth actually leading to New Life (10-15).**

- A Great Life makes Disciples who make Disciples (5-9).**

- A Great Life is a good steward of what God entrusts us with (5-9).**

- A Great Life points people toward Jesus (10).**

- A Great Life is animated and ruled by Grace (10a).**

- A Great Life finds freedom from the practice of sinning (18-21).**
