Nehemiah: Inescapable Duty - "Enduring the Burdens"

Nehemiah 6:1-16

Nehemiah was harassed with many burdens and attacks. Yet, he continued to faithfully endure. Can we endure as faithfully as Nehemiah did?

I can endure the burdens because...

- **I am faithfully sustained by the God I live for (1-15)**
- **I expect burdens to be part of following God (2-3, 12)**
- **I will be protected by wisdom and discernment (2, 12)**
- **I bravely take refuge in God's truth rather than fear man's lies (3, 8, 11)**
- **I gladly view my heartache as a platform for God to make Himself known (16)**
