### Mimic Christ

12/6/2015

1 Thessalonians 1

The Thessalonians were "examples" of people who "mimicked" Christ very well. What does that look like and can we do it? Yes we can and here are three ways Christ can be mimicked.

It means there is a validated conversion with visible change (4-8)

It means there is ongoing transformation into the likeness of Christ (1-3)

It means there is a deliberate replication of disciples of Christ (6-10)
