Living for Christ's Sake

Philippians 3

12/27/2015

Can you tell when someone is living for God? Are there visible indicators?

I am living for Christ when...

A spirit of gladness governs my spirit (1)

My new life can be traced to a new birth (1-9)

My priorities shift from the empty to the eternal (7-8)

I maintain a serious regimen for my maturation in Christ (9-15)

My love for Christ grows deeper the longer I serve Him (12-15)

I carry a deep compassion and heavy sorrow for those living the wasted life (17-20)
